

**« LES RÉPUBLICAINS, DE DWIGHT D. EISENHOWER À GEORGE W. BUSH  
(1952-2008) »**

**BIBLIOGRAPHIE**

Cette bibliographie sélective se compose de rubriques thématiques et biographiques constituées principalement d'ouvrages universitaires. Elle comporte aussi deux rubriques présentant, de manière non exhaustive, des « éléments du canon conservateur » d'une part, des « mémoires et témoignages » d'autre part. Elle signale enfin, à l'attention des étudiants et des préparateurs, un ensemble de « textes polémiques » destinés au grand public américain. Ces documents, souvent très partisans, témoignent de la vivacité du débat politique ; c'est la raison pour laquelle ils ont été retenus.

Dans les rubriques 1 à 13, les ouvrages précédés de deux étoiles (\*\*) sont considérés comme fondamentaux. Ceux qui sont précédés d'une étoile (\*) sont importants. Les autres apportent d'utiles compléments d'information.

**1- Ouvrages généraux sur la période**

Blum, John Morton. *Years of Discord: American Politics and Society, 1961-1974*. New York: W.W. Norton & Co., 1992.
